### **What is Mediation?**

Mediation is a process in which a trained, neutral third-party facilitates communication and negotiations between people in conflict, to assist them in reaching a mutually acceptable agreement or a better understanding of each participant's interests, needs, values, and options.

### **Advantages of Mediation:**

- \*Saves time and acknowledges emotions, resulting in improved client relationships, leading to a higher pay rate
- \*Parties decide the outcome, increasing compliance
- \*Solutions can be customized to fit unique situations
